Trento Coventry 910D

Firenze Lagos 909D

Our Trento and Firenze ranges were show cased beautifully in this resident home. Trento Coventry 910D was used in the kitchen and Firenze Lagos 909D for the bathrooms and the entries.

"The customer chose these vinyl's as they wanted something to make a statement and it complemented the black and white theme beautifully." Alexandra Hudson - UK Flooring, Te Awamutu.

These two cushion vinyl collections offer a mix of traditional warm oak planks, cooler grey timbers and bold statement patterns that can be matched with a wide variety of interior design schemes.

Our cushion vinyl ranges are easy to maintain, suitable for in-slab floor heating and offer a R10 slip resistance. Perfect for residential applications including bedrooms, kitchens and living areas.

Whether it is for the long term or the short, Trento and Firenze combined with the warmth and comfort under-foot with all of the style and timeless designs you look for in a floor covering makes these ranges a popular choice.

Practical people appreciate the ease of installation and easy maintenance. You can have optimum resilience and consistent quality.
